

Consulting Connection Services

is an approved EHBS provider

Electronic Home Based Support services are based on current technology to enable the individual to more safely live and participate in his community while decreasing the need for other services such as staff supports. We utilize the MyGuide program to deliver active programs and monitoring.

We offer the following programs and are expanding:

Financial Program:

- Budgeting
- Heating and cooling assistance
- Credit report findings
- What are my bills?
- Reporting changes to income
- Getting a bank account
- Maintenance issues-what is my responsibility?

Being a Good Roommate:

- Who cleans what areas?
- Whose turn is it?
- Do we eat meals together?
- Splitting bills
- Taking care of maintenance issues
- Pest control

Living Independently Program:

- Cleanliness
- Schedules of cleaning Including hiring help
- Paying rent on time
- What agencies do I notify of changes?
- Noise complaints and reduction
- Reporting maintenance issues or correcting maintenance issues
- Trash buildup
- Staying in your apartment
- Visitors
- Heating and cooling assistance
- Pest control
- Utilities and programs available for savings
