

Consulting Connection S e r v i c e s

Vision

Be the leading disability support provider by helping individuals be successful and independent.

Mission

To provide the highest quality services to individuals with disabilities who seek increased independence by providing them with their choice of opportunities to be a contributing member of their community.

COMMUNITY GUIDE SERVICES

Community Housing Guide

Assists clients with moving into independent housing and help with housing renewal for subsidy or vouchers.

- ✓ Complete tenant screening.
- ✓ Assist with the housing search and application process.
- ✓ Assist with arranging and details of the move.
- ✓ Assist in resolving disputes with landlords and/or neighbors to reduce risk of eviction.
- ✓ Complete Housing Road Map.
- ✓ Helping identify resources to cover expenses.
- ✓ Provide landlord and tenant responsibilities.
- ✓ Provide education on lease.

General Community Guide assists individuals in learning and accessing their community.

The General Community Guide Service also helps to:

- ✓ Identify activities that are of interest, promote inclusion, and support growth.
- ✓ Increase natural supports.
- ✓ Identify resources that support individual's interests or activities.
- ✓ Assist with problem solving.
- ✓ Demonstrate means to access community activities, supports, services, and/or resources.
